CIRCULAR

Sub: MANUU – Academic - ‘Attendance of Students of regular on campus programmes’ – Reg.

\* \* \*

It is noticed that attendance of the students in the campus is quite thin today. All the Heads of the Departments must ensure that classes are held even if there is one student, and all those students who are absent today onwards must be marked absent. And they are also requested to forward a list of all those students who remain absent after 3 days of the opening of the University to the Vice Chancellor’s Peshi.
