Sir/Madam,

For such cases one month time was given for submitting the certificates. All the concerned officers may please ensure that, all such candidates must submit the pending certificates by the time they report back for registration for even semester. The results of such candidates will be on hold and they shall not be registered for next semester.

I request you all to send the under signed, the details of candidates with pending certificates immediately, so that their names will be blocked from registration for second semester. Registration will be allowed only after certification from the Head/Principal of the concerned department on submission of the pending certificates.
