

Report on VISAKA – 19th December 2016

The volunteers of VISAKA Campaign of Maulana Azad National Urdu University, conducted the awareness and sensitization programme of Digital economy through cashless transactions, in Narsingi Village, The convener of the Programme, Dr. Fariyad, the teacher Volunteers Prof. Saneem Fatima, Mr. Bhikshapathi along with 60 student volunteers met households in the Village and demonstrated various modes of cashless transactions. They also made the households understand the convenience of adopting the cashless modes of transaction in their day to day purchases. The volunteers also took a feedback from the households regarding the process of making cashless transactions. Around 55 households including labourers from the constructions sites were addressed and educated about the different modes of cash less transactions.
